The Ludwig von Mises Institute is the research and educational center of classical liberalism, libertarian political theory, and the Austrian School of economics. Founded in 1982, it works in the intellectual tradition of Ludwig von Mises (1881–1973) and Murray N. Rothbard (1926–1995), with a vast array of publications, programs, and fellowships, to seek a radical shift in the intellectual climate as the foundation for a renewal of the free and prosperous commonwealth. For more information, see mises.org.
